ADMISSIONS TESTING

Transitional Kindergarten, Kindergarten, and 1st-Grade Applicants

Wesleyan Christian Academy uses the Gesell Developmental Observation-Revised (GDO-R) to assess all applicants applying to transitional kindergarten, kindergarten, and first-grade. The assessment will take place during the spring prior to August enrollment and the results of the assessment will determine your child's placement in TK, K, or 1st-grade.

TK, K, and 1st Grade Gesell Testing Dates:

JAN 29, JAN 30, JAN 31, FEB 1, FEB 2, MAR 14, and MAR 15, 2024

TK and K Age Requirements

- Applicants applying for **transitional kindergarten (TK)** must turn 5 years old on or before OCT 31 and score a developmental age of 4.5 to 5 years old at the time of testing.
- Applicants applying for **kindergarten (K)** must turn 5 years old on or before AUG 31 and score a developmental age of 5 to 6 years old at the time of testing.

2nd - 12th Grade Applicants

Most applicants applying to Wesleyan's traditional Academy will sit for the Measures of Academic Progress (MAP) Test to verify they can perform at an academic level equivalent to our current students. MAP testing is a computerized assessment that will take place in a small group environment. Generally, our Admissions Committee is looking for applicants who score above the 70th percentile in the areas of Reading (2nd - 4th)/ English (5th-12th) and Math. MAP admissions testing may be waived in one of the following instances:

- The applicant can provide previous MAP scores (within the last quarter) from their current school.
- The applicant can provide previous standardized test scores from any national normed test with scores above the 90th percentile.

2nd - 12th Grade Testing Dates:

Enrichment Center Applicants

The Enrichment Center is a specialized, college-preparatory program for students with mild to moderate diagnosed learning differences and/or ADHD. We do not admit students who have primary behavioral or emotional disabilities, nor can our program accommodate students with below average intellectual abilities. Applicants to the Enrichment Center at Wesleyan Christian Academy are required to sit for the Woodcock-Johnson (WJ) Test of Achievement or the Kaufman Test of Educational Achievement (KTEA).
