MOVIE NIGHT

Movie Night was a huge success, drawing approximately 450 people to the Rockers Stadium! Thanks to your generous donations, we raised about \$200, which will be reinvested into the PTO to further support our teachers and students. It was a wonderful night of fellowship, and some students even kicked off a spontaneous game of soccer! We extend our heartfelt gratitude to Carley Mann, a dedicated PTO member, for making this event possible, as well as a big shout-out to all our amazing volunteers and administration. We could not do any of this without your commitment of time and support! We look forward to continuing this as a WCA PTO-sponsored "Back to School" tradition for years to come!
