

WESLEYAN CHRISTIAN ACADEMY SUMMER READING LIST 2025-2026

"We read to know that we are not alone." C.S. Lewis

All rising 9th-12th grade students will complete the following summer reading requirements. Please find your grade level of English. **Note that some books have ISBN numbers or specific editions--please purchase these exact editions when ordering from your local bookstore or online retailer.** All assignments should be completed before the first day of school as teachers will require an in-class assessment when students return on August 12.

New this year: ALL high school English classes are requiring each student to have a public library card. We will use the card for online research.
